### Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.

STATE OF WISCONSIN  
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF

KENNETH S. NAVE, M.D.

ORDER OF SUMMARY SUSPENSION

93 MED 538

This matter came on before the Board on May 26, 1994, at a meeting for which proper public notice was given. Representing the Division of Enforcement was Prosecuting Attorney Arthur Thexton. Respondent appeared in person, without counsel.

Based on the evidence before it, the Board makes the following:

**FINDINGS OF FACT**

1. Kenneth S. Nave, M.D. (dob 5/14/62), is and was at all times relevant to the facts set forth herein a physician and surgeon, specializing in internal medicine, licensed in the State of Wisconsin pursuant to license #33537, originally granted 7/23/92. Respondent's address of record with the Board is 6701 West Villard Avenue, Milwaukee, WI 53218.
2. There is probable cause to believe that respondent is chemically dependent upon cocaine, has practiced medicine while under the influence of cocaine, and has abandoned his patients because of his use of cocaine.
3. Respondent is not covered by the Wisconsin Patients Compensation Fund.
4. Respondent's condition is such that the public health, safety and welfare imperatively require emergency suspension in that respondent is likely to practice medicine while under the influence of cocaine, and thus endanger the health and safety of patients. Further and separately, respondent's lack of coverage by the Fund is a danger to the welfare of any patient who may be harmed by any negligent act or omission by respondent.
5. A Complaint alleging unprofessional conduct has been issued by the Board in this matter.
6. Respondent was personally served with the Petition for Summary Suspension and the other documents described therein on May 11, 1994.
7. In addition to the sworn Petition for Summary Suspension, the Board received the following evidence at the time it considered the Petition: notice of noncompliance dated November 29, 1993 from the Commissioner of Insurance--Patients Compensation Fund, report of the Milwaukee Police Department of a search conducted at respondent's offices and respondent's arrest on March 9, 1994, interview memo of Investigator Schaut dated April 6, 1994 regarding her March 30, 1994 interview of three employees of respondent, and Outpatient Evaluation of respondent by Michael Goldstone, M.D., of Addictive Disease Medical Consultants dated December 15, 1993, and interview memo of Investigator Schaut dated April 26, 1994 of her April 22, 1994 interview with respondent's girlfriend.
